**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. § 1.137(b)**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Petitioners Hartmund Terletzki et al., hereby petition for revival of the subject application which was abandoned unintentionally. This application became abandoned on or about May 16, 2001.

On September 13, 2000, said application was filed without an executed Declaration. In response, the Initial Patent Examination Division issued a Notice to File Missing Parts of Nonprovisional Application on November 16, 2000. This notice should have been duly responded to at the latest, May 16, 2001.

As no response was filed regarding said Notice, this case became abandoned on the basis of failure to timely file a proper reply.

Pursuant to 37 CFR 1.137(b)(3), Petitioners hereby state that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.
